# **SCOUTING PRESENTATION**

# INTRODUCTION

Specialised into consulting and sports management, **LT SPORTS** is formed by former **sporting professionals**

**20 years** background within the high profile sports industry, **LT SPORTS** management share competences & experiences to provide customized solution towards your projects.

Scouting represents the key starting point for a successful recruitment, both at a sports & economical level for a Professional club

**LT SPORTS scouting** team is formed by **former professional players, scouting expert & professional football club manager** who throughout the year are constantly within the ground of French & international stadium.

**Experienced Team** with a solid expertise & background who have gained an efficient and **well reputed network under highest confidentiality.**

# INTRODUCTION

LTSPORTS target the young talents within our market strength **France** in which the concentration of the top talent are evaluating and growing.

LTSPORTS main goal is to respond accurately to football club partners by providing ahead all relevant and crucial informations to clubs related to the young talents and top future players.

Enabling our partners to be at all time valuable at both **marketing and profitable** level to assist them doing **the right decision making**.

# OUR METHODS

At any firm partnership LT SPORTS travels to the club partner for an immersion stay (Club, Match, Supporters, Academies ) to better understand the club atmosphere, background, culture in order to source the top player profile to enable an excellent integration for him and his family. From a better knowledge of the man it is better performances in the ground

We always go for an in-depth analyze and visualize the player inside & outside pitch. We follow the player on its travelling by analyzing all the key aspects related to his attitude and actions. But the most important is the player intelligence. In fact, one never moves at random. All the work was done in the week. The day of the match, we are already "ready". Very important: LT SPORTS supervises the player several times. At home and especially outside. If a collaborator is personally convinced, another go to see watch again as a security measure.

Bring excellent talented judge for each specific position.

To be an excellent business model enabling to sign a talent despite the competition of other recruiters.

# OUR METHODS

## THE PLAYER'S LIFE

LT SPORTS attaches great importance to player's life off the field. What is the personality of the player? How is his family? How does he behave during training? with his teammates? His coaches? etc.

LT SPORTS thanks to a very strong network at global level would always obtain the specific information required to fulfil any gaps and respond accurately to clubs' expectations and needs...
